

## PRACTICAL DETAILS & COST

Normally the meetings take place on the **2nd** Thursday of the month unless I am away for that week. So in May we meet on **14 May** and in June as I am on retreat that week, we meet on **18 June** as I am on retreat the Thursday before that. The time is 4.00-6.00 pm. You are welcome to arrive 10m before the start.

### The Monthly Meetings Are Offered Online & In-Person

They start with 40m of Katsugen or Regenerative Movement practice and follow with a Sei-ki hands on demonstration with different themes, pair exchanges, feedback, questions and relevant poem interlude. At the start of the session, a senior student or myself will demonstrate how to practice katsugen.
